

Foreign exchange earning by small industries

3780. PROF. M.M. AGARWAL: Will the Minister of SMALL SCALE INDUSTRIES AND AGRO AND RURAL INDUSTRIES be pleased to state:

- (a) the details of the major, medium and small scale industries functioning at present in the country, State-wise;
- (b) the details of the workers working in these industries, State-wise, the amount of foreign exchange earned in Indian currency by these industries;
- (c) the number of such industries closed down so far during 1999-2000 and 2000-2001;
- (d) the number of sick units in each of thse categories of industries in the country; and
- (e) what steps are being taken by Government in this regard?

THE MINISTER OF STATE OF THE MINISTRY OF SMALL SCALE INDUSTRIES AND AGRO AND RURAL INDUSTRIES (SHRIMATI VASUNDHARA RAJE): (a) and (b) As per the latest Economic Census (Fourth) conducted by the Central Statistical Organisation in 1998, there were 55.36 lakh manufacturing enterprises and 225.28 lakh workers were employed in these industries. These include major, medium and small scale enterprises. The State-wise details are given in Statement-I (See below). The exports of manufacturing goods is valued at Rs. 92526 crores in 2000-2001.

(c) and (d) The data on closed units is not maintained centrally. However, the Reserve Bank of India (RBI) compiles data on sick units financed by the scheduled commercial banks. As per the latest data compiled by the RBI, the number of sick units State-wise and industry-wise by the end of March, 2000 are given in Statement-II and III respectively (See below).

(e) The Government has taken a number of steps for revival of sick industrial units which, *inter-alia*, include guidelines of RBI to banks, amalgamation of sick units with healthy units, setting up of

Board for Industrial and Financial Reconstruction (BIFR) under Sick Industrial Companies (Special Provision) Act, National Renewal Fund, National Equity Fund etc. In respect of small scale sector also, the Government has taken various measures to facilitate timely identification and rehabilitation of potentially viable sick industries, which *inter-alia*, include institutional mechanism in the form of State Level Inter-Institutional Committee (SLIIC), special rehabilitation cells in Banks and State Financial Institutions and elaborate guidelines issued by RBI for extending rehabilitation assistance to eligible units. Further, with a view to strengthen the SSI sector and enhance its competitiveness both domestically and globally, the Government has announced a comprehensive policy package which consists of *inter alia* enhanced fiscal and credit support, better infrastructural and marketing facilities and incentives for technology upgradation.
